About Guardians of Biblical Truth

Guardians of Biblical Truth Publishing Group, an imprint of **The Ridge Publishing Group**, is a teaching platform devoted to helping believers move beyond surface-level faith into lives of faithful obedience to Scripture. Its mission is simple yet urgent: to guide believers from the moment of salvation into the lifelong journey of becoming faithful soldiers for Christ. In a time of growing spiritual uncertainty, GBT brings clarity, depth, and practical end-times discipleship through the careful teaching of God’s Word.

At the heart of the platform is a structured teaching approach called **SCRIPTURE · STORY · STEP** – beginning with the biblical text, connecting truth through insight and narrative, and ending with a practical step of obedience. This approach helps believers live out what they learn. The platform also teaches through a discipleship framework known as the **Eight Lanes of Biblical Truth**, addressing the key areas of Christian growth:

Speaking & Teaching Topics

Lori Ann Moeszinger teaches Scripture with clarity, urgency, and practical application, helping believers move from the Sinner's Prayer to a life of faithful obedience. Her teaching style combines careful biblical study with practical discipleship through the method of **SCRIPTURE · STORY · STEP**.

The following topics represent core areas of teaching within the Guardians of Biblical Truth platform.

1 – From Sinner's Prayer to Soldier

Many believers begin their Christian life with a prayer but never move into true discipleship. This teaching explores the biblical call to spiritual maturity and how believers can grow from initial faith into a life of obedience, readiness, and spiritual strength.

2 – The Eight Lanes of Biblical Truth

A structured pathway for Christian discipleship that addresses the major areas of spiritual growth. This teaching explains how the eight lanes guide believers through revival, restoration, biblical understanding, and practical faith.

3 – The Rapture Explained

A clear and biblically grounded exploration of the Rapture and the prophetic timeline of the end times. This teaching helps believers understand what Scripture says about Christ's return and why spiritual readiness matters today.

4 – Understanding the Book of Revelation

Many Christians avoid the book of Revelation because it feels difficult to understand. This teaching provides clarity by walking through the prophetic themes, warnings, and promises found in the final book of the Bible.

5 – Parents of Prodigals

Encouragement and biblical insight for families praying for children who have wandered from their faith or never known God. This teaching offers hope, wisdom, and practical steps for parents seeking restoration in their families.

6 – How to Read the Bible for Transformation

Many believers read Scripture but struggle to apply it. This teaching introduces a practical method for studying the Bible so that God's Word moves from information to transformation.

7 – Living Faithfully in the Last Days

Scripture calls believers to watchfulness and readiness. This teaching explores how Christians can live faithfully, remain spiritually alert, and stay grounded in truth during uncertain times.

Authority & Teaching Framework

The Method – How GBT Teaches

All teaching at Guardians of Biblical Truth follows a simple pattern: **SCRIPTURE · STORY · STEP** method:

Scripture – the biblical text | how Christ taught the Law – Matthew 5–7

Story – insight that helps truth stick | where Christ told Parables – Matthew 13

Step – a practical act of obedience | when Christ gave instruction or command – Matthew 4:19

This method helps believers move from knowledge to transformation.

The Mission – How Believers Live

The GBT ecosystem: **READ · PRAY · GATHER · SHARE · MULTIPLY**. Repeat. Read – YouTube teaching library + Lane content. Pray – Coffee with God moments. Gather – Facebook group community, Hope with Handles. Share – viewers sharing videos, posts, and testimonies. Multiply – disciples discipling others through teachings, books, resources, and more.

The Meaning Behind the Guardians of Biblical Truth Seal

The seal of Guardians of Biblical Truth reflects the theological foundation and mission of this platform. Each element of the design points to the central message of Scripture: Christ at the center, the authority of God's Word, and the love of God revealed through the gospel.

The Cross – Christ at the Center

At the center of the logo stands the cross, reminding us that Jesus Christ is the heart of the entire biblical story. From Genesis to Revelation, Scripture points to the redemptive work of Christ. Every teaching, every prophecy, and every promise ultimately finds its fulfillment in Him.

The Gold Seal – The Authority of Scripture

Encircling the design is a gold seal representing the authority, value, and enduring truth of God's Word. Just as a seal confirms authenticity, Scripture stands as the final authority for faith and life. Guardians of Biblical Truth exists to protect, teach, and proclaim that truth for every generation.

The Star – God and Humanity

The six-pointed star is formed by two interlocking triangles. The upward triangle represents the Trinity – God the Father, God the Son, and God the Holy Spirit. The downward triangle represents humanity – body, soul, and spirit. Where these triangles meet, we see the message of the gospel: God reaching down to humanity and humanity restored through Christ.

The Heart – The Love of God

Surrounding the star is a heart, symbolizing the love of God revealed through the gospel. Scripture tells us: "For God so loved the world that He gave His only Son..." – John 3:16. Truth and love must always remain together. The gospel is both truth proclaimed and love demonstrated.
